The Secretary to the Government of Mysore,
M Y S O R E.

Sir,

We have sent you by Railway parcel (consignment note of which is herewith enclosed) a copy of our "Law Reports of British India, Vol. I" for favour of inspection.

2. We beg respectfully to draw your attention to the following facts.

You have already bought of us all the volumes of the Indian Reports. The last volume - the fifth containing the Agra High Court Reports is buta fragment of the early Allahabad High Court Reports. The Indian Reports series abruptly stops there.

We are issuing these volumes to complete the Allahabad set and the other High Court Reports of Bombay Bengal and Madras

Our issue is not a mere reprint. We have added to the cases Notes of statute law and later case-law so that our edition will give what others do not —— the materials to estimate the value of the case as a modern authority. While this other issue has an intrinsic merit of its own of a very high and almost invaluable character, high, the quality of execution, it may be permitted to state, is all that may be desired. and, in the words of the Madras Mail" approximates to the Standred of English publications."

For A carefully edited and annoted Edition at of the Law Report

of British India such as we claim ours to be will, we trust, ~~be~~ form an useful addition to your library.

We may be permitted to state that the Government of India after inquiry, have, after satisfying themselves as to our standing and competency for the undertaking, granted us exclusively ~~their~~ permission to issue such reprints of the High Court Reports.

If the volume sent is ~~retained~~ retained for the Government Library, please remit to us a sum of Rs. 7/4/-. If not you may return it to us by Rv Parcel "to pay".

We have the honour to be
